Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Utility: Duke Energy
Address; As shown
Docket Number: 20200092-E1

Please reconsider your decision to raise rates for upgrades and improvements that either:

- * benefit a limited number of customers or
- * provide less-than-needed benefits to rate-payers.

Please base your decision on a cost/benefit basis. The benefits to do equal the proposed costs.

Thank you for your thoughtful consideration.

Sincerely,

Mr. Bruce Hadburg
