Re: Docket 20200051-GU

Please enter my/this letter into the public record minutes meeting on Thursday October 1, 2020 at 2pm, Wednesday October 7, 2020 at 6:30pm, and Thursday October 8, 2020 at 9:30am as I am unable to attend.

I am retired and on a FIXED Social Security income. I can NOT afford a TECO Gas rate increase of \$5.00. Did you take into account current inflation price increases of: Health Insurance, Food, all Utilities, electric, gas, cable, phone, etc., For EVERYONE of your customers in the USA?

My Social Security Cost of Living increase for 2017 was 0.9%. My Social Security Cost of Living increase for 2018 was 0.6%. My Social Security Cost of Living increase for 2019 was 1.6%. For an average of 1.03% per year.

When republican zombie senators and congressman in Washington D.C. decide to increase my Social Security Cost of Living adjusted for inflation yearly based on current Gross Domestic Product (GPD) than You can do the same.

Your Lobbyist and made up excuses of socio economic factors of claims loss statistics, as well as public driving records and to pay for the rebuilding of the gas and power grid from the last hurricane here/there does NOTHING for ME only give millions of dollars for the Utility, and Insurance companies, Wallstreet, Chairman of the Boards, CEO'S and Vice Presidents to further EMPTY MY WALLET.

The CEO and President of TECO Gas made a salary of: \$8,200,361 in 2019.

The CEO and President of GEICO Insurance made a salary of: \$14,243,723 in 2019.

The CEO and President of Duke Energy made a salary of: \$16,235,418 in 2019.

These people make more money in 1 hour than I make in a year to make a decision on how much money they can get from me, and YOU approve it.

I CAN NOT AFFORD ANYMORE RATE INCREASES OF ANY KIND, PLEASE HELP TO STOP THIS UNETHICAL RAPING OF MY WALLET ANY FURTHER.

Sincerely,

Joe Chisar
