Subject: Protect our solar rights! Docket: 2020-0000

Dear Florida Public Service Commission,

Wanting to kill Net metering is simply greed they want free energy from it providers with no return as solar produces during the day when the demand is the highest and take back at night.
So basically we help the electric company with the power we generate but they want to refuse to pay us

Sincerely,
David Hardingam
1709 W Humphrey St Tampa, FL 33604-1017
