RE: Docket No. 20200000
In re: Proposed Amendment of Rule 25-6.0143, F.A.C., and Proposed Adoption of
Rule 25-7.0143, F.A.C.

Dear Mr. Teitzman:

Tampa Electric Company (“Tampa Electric” or “the company”), submits the following comments regarding the proposed changes to Rule 25-6.0143 of the Florida Administrative Code (“F.A.C.”), governing Account 228.1 – Accumulated Provision for Property Insurance, provided by Commission Staff on September 11, 2020. Although Staff also proposes adoption of Rule 25-7.0143, Tampa Electric’s comments are limited to the proposed changes to Rule 25-6.0143.

Tampa Electric generally supports Staff’s changes to the Rule as reflected in the September 11 revision. For the sake of brevity, and to avoid duplication, Tampa Electric adopts the positions set out in Florida Power & Light Company’s Comments.

Tampa Electric would like to thank Staff for considering the Post-Workshop Comments submitted in July by Tampa Electric and the other investor-owned utilities, and for modifying the

proposed Rule language to address those comments. Please do not hesitate to contact me with any questions or concerns regarding these comments.

Sincerely,
