Subject: Protect our solar rights! Docket: 2020-0000

Dear Florida Public Service Commission,

Conservative business oriented governments throughout the world are going Solar. Keep Florida competitive and resilient. Please offer homeowners and business greater incentives to convert to solar. We need alternatives off the grid when our communities experience storms. Solar means power safety when the grid is challenged.

Sincerely,
Bebe Kanter
5960 Pelican Bay Blvd Naples, FL 34108-8156
