Issue 2: Should this docket be closed?

Recommendation: No. If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the Proposed Agency Action Order, a Consummating Order should be issued. The docket should remain open for staff's verification of the Utility's required biannual status reports until additional monitoring is rescinded by the DEP. Once these actions are complete, this docket should be closed administratively if no adjustments are necessary.
