Docket No: 20200172-EI

Date: October 20, 2020

**FLORIDA POWER & LIGHT COMPANY'S REQUEST
FOR CONFIDENTIAL CLASSIFICATION OF INFORMATION
PROVIDED IN RESPONSE TO THE OFFICE OF PUBLIC COUNSEL'S FIRST
REQUEST FOR PRODUCTION OF DOCUMENTS (No. 15)**

Pursuant to Section 366.093, Florida Statutes ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code ("Rule 25-22.006"), Florida Power & Light Company ("FPL") hereby files its Request for Confidential Classification ("RFCC") and requests confidential treatment of certain documents provided in response to the Office of Public Counsel's ("OPC") First Request for Production of Documents, No. 15 ("Confidential Documents"). In support of this request, FPL states as follows:

1. FPL served its responses to OPC's First Request for Production of Documents (including the Confidential Documents) on October 15, 2020. This request is being filed to request confidential classification of certain information contained in its responses to OPC's First Request for Production of Documents, No. 15, consistent with Rule 25-22.006.

2. The following exhibits are attached to and made a part of this request:

- a. Exhibit A consists of a copy of the Confidential Documents, provided in electronic format on CDs, wherein all of the information contained is entitled to confidential treatment. Because the confidential materials are being provided in electronic format and are voluminous, and therefore cannot be readily highlighted, FPL has not highlighted the entirety of the information contained on the CDs.

- b. Exhibit B consists of summary page that identifies the Bates numbered pages associated with the Confidential Documents, which are entitled to confidential treatment in their entirety.
- c. Exhibit C is a table that identifies the information highlighted in Exhibit A and references the specific statutory bases for the claim of confidentiality and identifies the Declarant who supports the requested classification.
- d. Exhibit D consists of the declaration of Jorge Gutierrez in support of this Request.

3. FPL submits that the highlighted information in Exhibit A is proprietary and confidential business information, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As described in the declarations in Exhibit D, the confidential business information includes: information relating to bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms. This information is protected by Section 366.093(3)(d), Florida Statutes. The confidential business information further includes: information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e), Florida Statutes.

5. Upon a finding by the Commission that the Confidential Documents are proprietary and confidential business information, the information should not be declassified for at least eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

6. **WHEREFORE**, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted. Additionally, FPL respectfully requests that the Commission, the Office of Public Counsel, and any other party subject to the public records law treat the materials as confidential pending a formal ruling by the Commission or the return of the materials, consistent with Section 366.093(2).

Respectfully submitted this 20th day of October 2020.
