any one time will be \$1.0 billion during calendar year 2021. This application is for both Tampa Electric and its gas distribution division, Peoples Gas System.

In connection with this application, Tampa Electric confirms that the capital raised pursuant to this application will be used in connection with the activities of the Company's regulated electric and gas divisions and not the unregulated activities of the utilities or their affiliates.

Staff has reviewed the Company's projected capital expenditures. The amount requested by the Company (\$2.3 billion) exceeds its expected capital expenditures (\$1.2 billion). The additional amount requested exceeding the projected capital expenditures allows for financial flexibility with regard to unexpected events such as hurricanes, financial market disruptions, and other unforeseen circumstances. Staff believes the requested amounts are appropriate. Staff recommends Tampa Electric's application to issue and sell securities be approved.

For monitoring purposes, this docket should remain open until May 6, 2022, to allow the Company time to file the required Consummation Report.
