

To the members of the Public Service Commision.: 10/17/20

You people are a joke, a rubber stamp for any request by the Utility Co. for a rate increase!

I moved here from upstate NY where the water was prestine, just ask the Brooklyn Bagel Co where they get thier water. My water bill was \$200. a quarter. Here the water is like sewer water and my bill is almost a high as my power bill. If any of you are on any ballot, you have lost my vote!!!

Thanks in advance for your lack of action
