Re: Docket No. 20200226-SU - Application for certificate to provide wastewater service in Charlotte County, by Environmental Utilities, LLC.

Dear Mr. Friedman:

Florida Public Service Commission (Commission) staff has reviewed the draft notice for the original wastewater certificate (application) submitted on behalf of Environmental Utilities, LLC (EU), as well as the territory maps and legal description. Prior to approving EU's draft notice, staff must verify the territory description. Please make the following corrections to the territory map and territory description:

1. Rule 25-30.029(2)(b)2, Florida Administrative Code (F.A.C.), requires that all points of beginning must be in reference to a section corner or a subsection corner. Please revise all points of beginning to comply with this rule.
2. Rule 25-30.033(1)(j)2, F.A.C., requires that the system map of territory proposed to be served is consistent with the legal description provided. Upon review, staff found that the following items need to be corrected: 1) Map Exhibit B (within Exhibit G of the application) as well as the legal description of the northern boundary of Cape Haze does not match the territory map provided. Section 27; 2) Township 42 South, Range 20 East, is referenced in the legal description but not labeled on the territory map; and 3) Gasparilla Sound is referenced in the legal description but not labeled on the territory map.

Please provide the corrected maps and territory description electronically via the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form (reference Docket No. 20200226-SU) as well as physically to the following address by **November 19, 2020**:
