Subject: Ni Florida Docket

Hi Dorothy, please see below regarding our conversation on the current open Ni Florida Docket:

Current Docket Title: Application for transfer of majority organizational control of Ni Florida, LLC from Ni Pacolet Milliken Utilities, LLC to Florida Utility Systems, Inc.

Proposed Revised Docket Title: Joint Application for approval of transfer of majority organizational control of Ni Florida, LLC holder of Certificate Nos. 388-W in Lee County and 104-S in Pasco County, to Florida Utility Systems, Inc.

Reasoning: This docket title mirrors what was done in a previous Ni Florida docket, 20150115-WS, includes the counties, and removes that extra layer of the parent company (Ni Pacolet) - which added confusion.

Similar to the 15' docket, the sale is an equity purchase agreement & doesn't involve the transfer of land/facilities, therefore, it's just transfer of majority org. control.

Ni Pacolet doesn't need to be added to MCD – Ni Pacolet is the parent company & Ni Florida, LLC is the Utility.

Please let me know what you think and if I'm forgetting anything – thank you!
