**Re: Docket No. 20200001-EI**

Dear Mr. Teitzman:

Pursuant to Section 25-6.0424(2) of the Florida Administrative Code, Florida Power & Light Company ("FPL") provides notice that, based on its latest fuel cost projections that were developed utilizing NYMEX settlement prices for natural gas as of November 2, 2020, FPL may be in an under-recovery position for fuel costs of 10 percent or greater for 2021 when compared to the fuel price projections used to calculate the factors approved by the Commission to be effective January 1, 2021. While the November 2 fuel cost projections showed an under-recovery in excess of 10%, prices have declined somewhat since that time. In light of the continuing volatility in the current natural gas market, FPL will defer by one month a decision regarding whether to file a mid-course correction petition. As part of its normal monthly process, FPL will reevaluate its fuel cost recovery position on December 8, 2020 and provide a further notice based on that evaluation.

Please contact me if you or your Staff has any questions regarding this filing.

Sincerely,

*s/ Maria Jose Moncada*  
Maria Jose Moncada
