Docket # 20200139 - WS

CUSTOMER COMMENTS

Utilities Inc is Requesting another RATE increase this will put a hardship on my husband and I financially. We live in this Retirement Age Neighborhood of Manufactured homes because it is what we can afford. My husband is a Veteran with disabilities and I work part time to add to the income. Every year they petition to raise the rates but this one is the worst. This company supplies water + sewer to many States. Our area is only occupied 50% of the year normally this 2020 has seen only about 43% of people here so the costs for the company are low. Please do not grant this increase  
THANK YOU.
