Subject: Reference Docket No. 20200139-WS

Dear Sirs,

We are living in Seminole County. We have received your recent correspondence explaining that you are going to hold a virtual conference call in regards to increase prices for water usage.

We have gone through an extensive price increase within the last 1-2 years. I believe the increase was 100%.

We, as Seminole County residents OPPOSE any further price increase as we have already been hit pretty hard.

Thanks,

Agata Fowler
