Subject: Proposed rate increase

Dear Sir or Madam

I understand you will be considering another rate increase for Utilities Inc in Seminole County, FL.

As a resident of Seminole County I would like to voice my objection to this proposed rate increase. We have seen many increases since our services were taken over by Utilities Inc and my rates have quadrupled and continue to increase.

I strongly encourage a rejection of this proposal and appreciate your assistance in this matter.

Thanking you in advance,

Patricia Fowler
