Subject: Docket Number 20200139-WS

I'd like to provide a comment on the proposed rate increase by Utilities Inc. of Florida in Seminole County (Docket Number 20200139-WS). As a resident who would be affected by the rate increase, I would like to state that I am OPPOSED to any increase at this time. If Utilities Inc. of Florida, or its owner Corix Group, would provide increased transparency into their revenue and expenses so that it can be determined if a rate increase is truly necessary, I would possibly support a rate increase. However, I cannot find this information online and therefore do not support a rate increase at this time.

Thank you,
Anna Elde, Resident of Seminole County
