CUSTOMER COMMENTS

We don't agree to any rate increase in either the water or sewer rates. I have lived here for 7 years and the water still smells and leaves a redish color in our bathroom cups and sink. As far as the sewer, Utilities, Inc is only a pass through charge, so why would a rate increase be warranted since they don't handle the sewage and incur any operating expense. Even the lift stations here in Summer Tree are maintained by Pasco County. Pasco County also flushes the hydrants on SR 52 in our area.
