CUSTOMER COMMENTS (prices - per month)
We have lived in this house since
Jan 1986. In 1986 our water/sewer bills
with Sandalco Utilities was between
\$17.00 - 26.00. We have no pool, no sprinkler
system. From 1987 - 2005 the bills
were mid \$20s to low \$30. From 2006 to
Sep 2017 bills ranged from low \$30 to upper
\$30s. When Utilities Inc of Florida
took over in 2018 to present bills range
from mid \$60 to \$80 and now you
need another increase?! Service, etc
is certainly not better - just an almost
triple increase in the past 3 years

FOLD & TAPE - See back for address

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
