CUSTOMER COMMENTS

The price increase for waste  
water is extraordinarily high.  
I'm on a fixed income, and the  
increase is a burden, especially  
because all my other costs are  
increasing as well.

My social Security increase for 2021  
is 1.3%. Keep that in mind. That  
was the cost of living increase in  
2020. Why does Utilities, Inc. need  
so much more?
