Please vote NO on rate increase!

I understand that Utilities Inc has requested ANOTHER rate increase to achieve a rate of return on equity of 11.75% - to achieve this, that means an increase of 25% on water + sewage. They have already initiated an interim increase of 3.5% in September

This is an unfair burden as we in Seminole County will pay the greatest increases. Over the years, my bill went from \$60/month to \$240/month - the highest it has ever been + there is only one person (me) at home + I work 8 hrs a day. How unfair is that? It is an outrage - please stop the rate hike + make them accountable

Thank you
