Subject: Docket no. 20200139-WS

To whom it may concern,

I live in Altamonte Springs, Seminole County Fl. I oppose the requested water and waste increase associated with docket no. 20200139-WS. Seminole County already has one of the highest water rates in central Florida. Our water rates get increased frequently already, at some point our rates needs to stop increasing. Other options need to be looked into in order for Utiliies Inc to operate other then requesting rate increases that provoke hardships for us consumers.

Thank You,
