CUSTOMER COMMENTS

When is enough - enough. Before this company  
took control I payed ~~avg~~ avg. \$80/m in water. Since  
they took over I pay avg. \$150/m - double. And for what?  
new pipes - no; new system - no; better pressure or service -  
no; Do not allow an increase + consumer gets nothing.  
If cable goes up, I have choice cancel - if gas  
goes up I have a choice, smaller car or elec. - but  
water is an essential. everyone needs water + when  
there is no competition - and only one (1) company  
dictates price - it is a monopoly -

Please do not give them a price hike  
for no reason - we cant afford it - Apopka - next  
town over pays \$80/m avg - STOP The rip off

FOLD & TAPE - See back for address
