CUSTOMER COMMENTS

My bill used to be normally between \$30.⁰⁰ - \$35.⁰⁰
however for the last 3 months has gone up
almost double.

I called your company, they came and did an inspection
however no leak was found so I am aware that
early this year there was a raise but I believe
almost double is too much.

I only see correspondence from your company when
an increase is requested to the Board that
lately seems often, at least for me.
