#### CUSTOMER COMMENTS

This increase is going to put a hardship on the majority of residents that are serviced. Although I do believe an increase is necessary to cover the increase in costs to UTI inc. This increase will be a 25% to 30% monthly, myself included. I think & feel 1/2 of what is being proposed. Being on a fixed income I have no other means of increasing my monthly income.

THANK you for listening  
John Vaglica
