CUSTOMER COMMENTS

It is an abomination to grant this increase.
I have seen these rates more than double these
last twenty years. For seniors on a fixed
income and large families this is especially
difficult. Tell them no to this increase &
and dont ask for 5 more years.
Stand up for the citizens and tell these
blood suckers go away please.
Stand up and fight for use and do
what is right. No increase, at least not now
and hopefully never.
