Dear P. S. C. CUSTOMER COMMENTS
Utilities, Inc is a monopoly. We, the consumer, have no alternative vendor. For that reason alone, PSC must be exceedingly cautious in allowing increase after increase as requested by Utilities Inc., or you are doing the public you serve a grave disservice. Who do we have but you to speak on our behalf?
A proposed increase of \$15.74 for wastewater disposal per household (Company Overview, paragraph 4) is outrageous! Our current rate is bad enough @ 4.42/4 - an increase of 350%?? Plus, Utilities Inc just got their rates raised - by you!
These are difficult times for everyone, not just Utilities, Inc. We all are "seeking rate relief". To raise prices yet again in the middle of a pandemic is disingenuous and must NOT be permitted!
