CUSTOMER COMMENTS

I oppose ANY type of rate increase by Utilities, Inc of Florida. Our water/sewer bills have risen exponentially over the past few years, increasing over 700% in some cases. I have contacted City, Commissioners, State reps, etc... and no one will help. When is enough enough ???

Rates have gone up from 1.1 cents per gallon to 4.8 cents per gallon... Unbelievable!! Please Rejet/ decline Utilities, INC request for a rate increase.

Thank you,

Ali Murray
