CUSTOMER COMMENTS

This is reference to Docket No. 20200139 WS
you know what difference is it really
going to make if customers have any say.
Our rates go up every year or 2
years and I don't see any difference
in water or services we are in the
middle of a pandemic and some people
are out of work so raising rates doesn't
help. I've been with this company
for over 20 years to me nothing has
improved
