Your outreach, legal and otherwise to the **Summertree** Community is more than fair which says a lot more than the treatment we retirees are receiving from UTILITIES, INC. of FLORIDA!!

The proposed increase in our water (a vital resource) rates are like anyone else having power over our money yet we as individuals are powerless and have a will to survive.

I can't tell you what 2021 means to all of us. It is not a year I will be looking forward to.

The cry from all bases is MONEY, MONEY, and MORE MONEY!!! So, I am appealing to you to slow down this big corporations whose attorneys have countless tax loopholes and most certainly will survive. Some of us can't.

Please!

DENY THEIR APPLICATION TO INCREASE WATER AND WASTEWATER RATES FOR OUR COMMUNITY,
Summertree.

A good example of what this means to me personally :

I pay the same amount on a water bill in Summertree that my husband pays for his home outside of the Summertree community.

HE GETS SEVEN TIMES MORE WATER AND LAUGHS AT ME ON MY DECISION TO BUY PROPERTY IN PASCO COUNTY specifically SUMMERTREE in NEW PORT RICHEY, FLA.
