CUSTOMER COMMENTS	11/19/2020
<p>As Homeowners in Pasco Co. FL, we request that the rate increase applied for by Utilities of FL, Inc. be greatly reduced. With the across-the-board rising cost of living, this approximate increase of \$240⁰⁰/yr (based on an average of 5,000 gal per month usage) is burdensome for many customers. The reality is that most other goods and services are raising their prices, not to mention tax and fees increases. It is also worthy to note the need for water softening systems in addition to the service provided by Utilities of Fla. Our system cost us \$2000⁰⁰ plus the ongoing expense of supplies & services. Therefore, we petition the FPSC to require Utilities of Fla. to find other ways to achieve reasonable profit margins necessary to continue operations. Respectfully, Riece & Elizabeth Lester</p>
