CUSTOMER COMMENTS

We Request that no further increases be approved at this time.

Our water bill has increased extraordinarily. We are two seniors in medium private home with small lot. From 2010 - 2015 our Annual Bill increased 58%. From 2010 - current up 173%

We have lived in same home since 1999 - \$44/mo. Now we pay \$170 Average per mo.

We cannot imagine the need for drastic increases with our water service!
