CUSTOMER COMMENTS

I have NEVER dealt with a public utility as greedy as Utility Inc. of FLA. My water/wastewater bill has more than doubled since Utilities Inc. took over from Sealand Utilities. I had (6) people living in my household when my WATER/WASTE water bill was less than $\frac{1}{2}$ of what it is now. (Only (2) people in my house now). My elderly neighbors are planning to sell their house & they told me one of the main reasons is the OUT OF CONTROL water/wastewater bills. Why is this happening. There appears to be no oversight or regulating this utility. It is obvious that there is a major problem with this company when at times my water/wastewater bill is higher than my electric bill. When will this stop?
