CUSTOMER COMMENTS

I vote NO for increasing WATER &
WASTEWATER RATES for PASCO county. I do
not see justification for an increase, other
that no recent increase has been granted.
I do not see an increase in service & the
water quality surely does not WARRANT an
increase. Rate increases should not be
granted based purely on operating cost.
The factors concerning operating cost
VARY AND CAN be a matter of less than
excellent management. I would urge you
to vote NO until an investigation is
conducted (independently) to justify an increase
