Dear Mr. Teitzman:

Enclosed for filing in this docket on behalf of the Office of Public Counsel ("OPC") is one (1) copy of the direct Testimony of Lane Kollen ("Testimony").

Florida Power & Light Company, ("FPL") has filed a timely Notice of Intent to Request Confidential Classification for the confidential portions of the Testimony in advance of this filing. Due to the claim of confidentiality related to some of the information that the OPC has informed FPL will be included in the testimony, FPL has asked that this filing be made as confidential in its entirety. It is the OPC's understanding that FPL will make the appropriate filing(s) to designate and justify its claim of confidentiality for specific confidential information contained in the Testimony. Once that filing is made with the Commission, this filing can be returned to the OPC and the highlighted and redacted copies of the same can be maintained on file by the Commission.

The Parties were served with the Testimony pursuant to the accompanying certificate of service. Service to the Commission Staff is effectuated by the filing of this copy with the Clerk pursuant to your procedures for handling confidential information.
