CUSTOMER COMMENTS

Totally Against Another insane rate hike by Utilities Inc. Over and over this utility raises their water rates and always get their way. The PSC does Nothing to protect us victims from their greed. No protection whatsoever for us residents and captive customers. We cannot go elsewhere for our necessity of life-water-but must pay without recourse what this corrupt Monopoly demands. Why are they allowed to gouge us? Why doesn't "Public Service" Commission (what a joke) protect us taxpayers? I am a senior on a limited income afraid soon to not be able to afford water.
