Dorothy,

Docket No. 20200238-WU is an application for an original water certificate. In the application, the utility also requested approval for a pass-through increase for regulatory assessment fees. Therefore, the docket title should be changed from:

"Application for certificate to operate water utility in Marion County by Citra Highlands Water System LLC."

to:

"Application for certificate to operate water utility in Marion County, and application for pass through increase of regulatory assessment fees, by Citra Highlands Water System, LLC."

Let me know if you have any questions.
