That is correct. The corporate name does not have hyphens or dashes. The correct corporate name is **C M Inc.** Those hyphens were include in the email only to show separation. Please ignore them.

Mr. Williams:

Thank you for your email response. I apologize for listing the Carrier Marketing DBA on the initial cancellation request. C-M-Inc., is not registered in the State of Florida under the Carrier Marketing name. I should have only listed their corporate name of C-M-Inc.

Please forward this information as necessary to complete their certificate cancellation.

Thank you.

Mr. Record,

In reviewing your request for cancellation of Certificate No. 3866, we identified an inconsistency in the company name.

The Florida Public Service Commission and the Florida Division of Corporations records do not recognize a dba associated with C M Inc.

Before we can officially cancel the certificate, we will need documentation from you acknowledging the correct name.

The name we have on file is C M Inc.

Your accompanying letter with the cancellation request identifies the company name as CM Inc. DBA Carrier Marketing, Inc.

Please provide your response by December 15, 2020.

Thank you
