CUSTOMER COMMENTS

My wife and I have homes in Longwood, FL and Asheville, NC. We spend six months each year in each of these homes.

While in NC we turn the water off at the entrance of our FL home. We use zero gallons of water at the FL house during that time away. But our water bill each month is approx. 60⁰⁰ with zero water usage.

I don't think I should pay 60⁰⁰ each month with zero gal. used.
