CUSTOMER COMMENTS (12-10-2020)
My records indicate that rate increases have been requested and in place twice this year (JAN. 10, 2020 and Oct 30, 2020)
The Public Service Commission is never says "No".
Considering the year 2020 has been extremely disrupted for business and individuals due to the pandemic. The amount of unemployed, and those struggling financially to get through the year, I believe a utility increase is extremely inappropriate.
