We are opposed to any increase in our Longwood residence water utility bill because of Utilities Inc arbitrary and unjustified "takeover ~~20~~ times increase". The former Senlcendo utility rate was clearly profitable for our region & had been adjusted regularly.

We loyal Senlcendo customers were arbitrarily ignored by Utilities Inc & The Commission in ~~the~~ denying us the benefit of a preferential "reasonable rate."

We feel wronged!

Based on Utilities Inc Takeover profits & Continued Rise in Profits we still believe we are deserving of a good faith reduction in rates - not an increase. Ronald Kenney 11-27-20
