#### CUSTOMER COMMENTS

who is corrupt? d. called the SEC in 2016 and was told they could not find a list of officers. The state has approved every rate increase for some amount. Rates are already excessive - especially waste water, which is usually recycled! Current request of almost 20 increase is \$384,000 for our subdivision of 1600 trailers. EXCESSIVE!!

These committees need to be investigated for poor decisions such as allowing minimum charges for seasonal owners even when their service is turned off!
