**Re: Docket No. 20200234-EI - In re: Petition of Tampa Electric Company for approval of direct current microgrid pilot program and for variance or waiver of Rule 25-6.-65, F.A.C.**

Dear Mr. Means:

Please provide responses to the following data and document requests in the above-referenced docket with the Commission Clerk by January 19, 2021:

1. Please provide copies of the Block Energy System Addendum and Grant of Easement that will be given to participants in the Direct Current Microgrid Pilot Program (Pilot Program).
2. With regard to the Block Energy System Addendum and Grant of Easement:
  - a. When will these documents be given to participants in the Pilot Program?
  - b. Who will explain the terms and conditions of electric service set forth in these documents to Pilot Program participants?
3. Will participants in the Pilot Program be able to install their own photovoltaic panels while participating in the Pilot Program?

- 
4. If a participant wishes to install their own photovoltaic panels:
    - a. What steps will TECO take to maintain the integrity of the Pilot Program data?
    - b. Will net metering be available to the participant for the electricity generated by their own photovoltaic panels?
    - c. Will the participant be able to continue to participate in the Pilot Program?
  5. Does the participant have the right to leave the Pilot Program before the initial four year term is completed?
    - a. If so, what will happen to the solar panels owned by TECO installed on the participant's roof?
    - b. If so, how will the participant thereafter receive electric service?
  6. If a home in the Pilot Program is sold during the initial four year term, does the new Buyer have to agree to continue participation in the Pilot Program or can the new Buyer opt out?

Should you have any questions or need more information regarding this data request, please contact me at (850) 413-6218 or [sbrownle@psc.state.fl.us](mailto:sbrownle@psc.state.fl.us) .

Very truly yours,
