**Subject:** Hearing for Proposed Central Sewer on Little Gasparilla Island

As an owner of multiple properties on Little Gasparilla Island which are within the proposed service area, I'm submitting this letter objecting to any proposal for bifurcation or temporary waiver. Please see attached image (form letter) below:

TO: [clerk@psc.state.fl.us](mailto:clerk@psc.state.fl.us)

SUBJECT: Docket #20200226-S

To Whom It May Concern,

I am writing to you as a property owner of [identify Island], which is within the area contained in the application for Environmental Utilities, LLC [EU] for a sewer. I object to EU's request for bifurcation of the certificate and proceedings and I object to the grant of a temporary waiver of Rule 25-30.0 and (q). Given the inadequate information regarding the applicant's financial and management experience as well as the costs to the stakeholders involved in the project, the applicant's request for bifurcation should be denied.
