We are residents and property owners on Don Pedro Island and within the proposed service area . We wish to be included in the list of interested parties and request notifications of all documents and notices pertaining to Docket # 20200226-SU. The applicable e-mail for notifications is johnspurvis@yahoo.com

We object to the application of Environmental Utilities for a waiver and bifurcation of the permitting process. Environmental Utilities has no expertise or experience in providing wastewater services. They must state their rates and demonstrate their ability to operate a wastewater service before a contract is issued by Charlotte County. While municipal sewer would be welcomed by us personally, EU must not be allowed and entitled to move forward with this request.

Sincerely  
John Purvis
