**Subject:** Docket#20200226-SU

To whom it may concern,  
I am the owner of the property at [490 S. gulf Blvd, in Placida](#), which is within the service area contained in the proposed application from Environmental Utilities, LLC for central sewer.

I am writing to express my objection to Environmental Utilities request for the bifurcation of the certificate and rate-making proceedings and I object to the granting of a temporary waiver of Rule 25-30.033(1) (p) and (q).

I have received no information regarding the proposed central sewer, details of personal financial obligation, details of system intended, or impact to myself or my community.

For these reasons, I am requesting that Environmental Utilities request for bifurcation and a temporary waiver be denied.

Thank you,  
Kerry Englert
