Subject: Docket #20200226-SU

I am a full time resident of Don Pedro Island and I am writing to object to Environmental Utilities request for central sewer on my island. I am concerned about the inadequate information regarding the applicant's financial strength and his lack of management experience. I feel that it is only fair that I have all of the relevant information for this endeavor.

I request that EU's request for bifurcation and a temporary waiver be denied.

Sincerely,

Barbara DeYulio
