Subject: ~~CapeHaze sewers~~
Date: January 2, 2021 at 10:35:37 AM EST
To: lgwu777@yahoo.com

To Whom it May Concern:

My wife and I moved in CapeHaze one year ago after finding the home and community of our dreams. I have lived in Florida the majority of my life with a septic tank in the majority of our homes without difficulty.

We are vehemently opposed to the chaos and disruption that installing a sewer system will have on our quiet and peaceful community. In addition to the noise and cost any disruption or change to the natural beauty of our community would be unacceptable. We appreciate your attention to our complete and unwavering objection to this plan.

Sincerely,

Denis & Kim Cavanagh
