Good morning,

I received a call from a consumer who is watching the Commission Conference. She states that Commissioner Fay just said that 400 comments came in regarding the docket 20200226. She state this occurred because the customer were just notified. She states this is a crucial point. She also stated that the arrest record of the applicant is crucial because he stole water from the State of Florida and now he wants to sell water. Her name is Heather Stout and she would like a response at [webdeziner1@yahoo.com](mailto:webdeziner1@yahoo.com).

Sincerely,
