DATE: 1/13/21

REFERENCE:

DOCKET No. 20200226-SU

Application for certificate to provide wastewater service in Charlotte County by Environmental Utilities, LLC.

OBJECTION LETTER TO:

Commission Clerk
Office of Commission Clerk
Florida PSC
2540 Shumard Oak Blvd
Tallahassee, FL 32399-0850

COPY OF OBJECTION TO:

Martin S. Friedman, esq
Dean Mead
420 S Orange Ave #700

Orlando, FL 32801

To both the Commission Clerk and Mr. Martin Friedman,

As the owners of a property located at 9700 Little Gasparilla Island, we strongly object to the approval of this application and the forced upon connection to any future wastewater service provided by Environmental Utilities, LLC.

The island is not a full time occupancy type residence even with those homes who rent. Wastewater services are unnecessary and a danger to our delicate habitat.

Whatever issues there could possibly be are able to be handled by individual owners getting their septic tanks serviced and updated.
