RE: Docket 20200048-TP - Request for approval of amendment to interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, LLC d/b/a AT&T Florida d/b/a AT&T Southeast and Goff Network Technologies-Florida, Inc. d/b/a USA FIBER.

On February 5, 2020, BellSouth Telecommunications, Inc. d/b/a AT&T Florida d/b/a AT&T Southeast (AT&T Florida) filed a request for approval of an amendment to the interconnection, unbundling, resale and collocation agreement with Goff Network Technologies-Florida, Inc. d/b/a USA FIBER (DN 00802-2020). On March 27, 2020, AT&T Florida withdrew the filing after finding an error with the amendment (DN 01629-2020). Given that there were no further pending issues that needed to be addressed by the Commission, the docket should have been closed administratively pursuant to Section 2.07.C.2.d. of the APM. Requesting that previously submitted DN 02441-2020 filed May 7, 2020, be replaced with this memo to reflect that the docket is closed administratively, pursuant to Section 2.07.C.2.d of the APM.
